IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.

In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing or Shaping Machine, three Lathes, and a Machine for making bolts, and are now putting in a Steam Engine of -- horse power to drive the whole, thereby adding to the former facilities for the successful carrying on of the Foundry, Machine, Engine and Blacksmithing business. They never were in a better position for doing business, and

the Proprietors refer to that in successful operation through the country as their best recommendation, as it can speak for itself. All they can say is, that they are both PRACTICAL MECHANICS, and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL GEARING, and STEAM ENGINES, on the most approved principle.

They have always on hand a large stock of BRASS WORKS, such as GUAGE AND CYLINDER COCKS, OIL CUPS AND COCKS, and STEAM WHISTLES. Also Lever's [illegible], which they will sell at the lowest cash price.

They are also Agents for FAIRMAN'S PATENT STEAM GUAGES, which are well worth the attention of all those who use Steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

THE DAILY SENTINEL.

RUFUS KING & WM. H. WATSON,
PROPRIETORS,
Under the Name and Firm of Rufus King & Co.

MILWAUKEE:
Thursday Morning, Dec. 18.

Wisconsin Almanac and Annual Register for 1857.

We shall publish, on or about the 1st of January, No. 2 of our WISCONSIN ANNUAL REGISTER, containing, in addition to the Calendar for the year, Description of Wisconsin, List of Members of all the successive Legislatures, Tables of all the general Elections held in the State, Census of 1855 by towns, &c., &c., an Appendix, giving much other valuable matter. We propose to add to the matter contained in the Register for 1856, the Election Returns for last November, by towns—the new Apportionment Bill—the Assessment and Equalization of Property for 1856—the Vote of the Union for President—besides other valuable statistics for reference, the whole making a pamphlet of about 120 pages.

Price for single copies, 25c; a liberal discount made to those who buy to sell again.

RUFUS KING & CO.

To Advertisers.

We shall have a few pages for advertisers in the *Wisconsin Almanac and Annual Register*, which we hope to issue about the 1st of January. As the pamphlet will be one of great value for frequent reference, it is an excellent medium for advertising. Those who desire to avail themselves of it will do well to make immediate application.

The Growth of the North West.

The prodigious strides of the North Western States, in wealth and population, during the last five years, form the theme, just now, of many newspaper paragraphs and much political speculation. Taking the five States, born under the immortal Ordinance of '87, and our next neighbour west, Iowa, and comparing their aggregate vote and population now with what they were five or ten years ago, the wonderful increase will astonish even those whose faith in the destiny of the Great West is of the most ardent and unquestioned character. The following table shows the aggregate vote in the States named at the last three Presidential elections.

States.	1848.	1852.	1856.
Ohio	328,489	353,428	385,196
Indiana	152,752	176,260	[illegible]
Illinois	125,121	155,497	239,005
Michigan	65,016	82,939	125,558
Wisconsin	39,166	55,895	119,512
Iowa	21,308	35,222	92,512

It will be seen that Illinois has at length passed Indiana, in the race for Empire, and that Wisconsin has very nearly overtaken Michigan. Assuming the vote of 1856 as the basis of calculation, and allowing six souls for every vote cast, the population in these States for 1856 compares thus with the population at previous periods.

States.	1840.	1850.	1856.
Ohio	1,519,467	1,980,101	2,318,196
Indiana	685,866	988,416	1,421,064
Illinois	476,183	851,489	1,415,744
Michigan	212,276	397,654	753,318
Wisconsin	30,945	305,191	717,072
Iowa	43,111	192,214	556,872
Total	2,967,880	4,715,515	7,198,243

Going still farther back the aggregate population of these six North Western States has increased at the following rate:

In 1800	50,240
In 1810	272,324
In 1820	792,727
In 1830	1,470,018
In 1840	2,967,880
In 1850	4,715,345
In 1856	7,198,243

Adding Minnesota, which properly belongs to the North West Division, to the count, we have an aggregate population for this quarter of the Union, of *seven million, three hundred and ninety-eight thousand, two hundred and forty-three* against a population in 1830, only twenty-six years ago, of less than one and a half millions.

Our Representation in Congress is far short, however, of that to which our population entitles us. We have but *fifty* members of the Lower House, while under the last Apportionment (that based upon the census of 1850) we should be entitled *to seventy-five*. The census of 1860 will partially repair this wrong and give to the North West the number and weight of representatives to which it is justly entitled. As the law limits the House of Representatives to 235 Members, our gain of Members must be made at the expense of States which remain nearly stationary. The chief sufferers will be the Slave States, which do not grow at all in proportion to their free neighbours. Virginia, North and South Carolina, Maryland, Kentucky, Tennessee will all lose more or less Members. In the present House of Representatives the Free States have 145 Members and the Slave States 90. After the next census the proportion will probably be—Free State Members 160, Slave State do 75.

The Cincinnati *Gazette*, in commenting upon these statistical facts developed by the late election, remarks as follows:

> Since 1820, a period of thirty-six years, the North Western States have increased at the rate of 90 per cent. each ten years, [9 per cent per annum,] until they are now as populous as the entire United States were in 1810; and in all probability, they will be as populous in thirty years more, as the entire American Union is now. One would think it was about time they had some influence in the National Government; but heretofore, they have been considered [all of them put together] as less important than Virginia or South Carolina. *They are now*, however, working out their own redemption; and the time is not distant [let all doughfaces take warning] when they will dictate terms to this nation—terms that will be quite different from the pro-slavery manner in which this government has been managed. We can afford to bide our time. The beginning of the end has come, and the end itself will soon be here—the period when there will be no bowing down to the dogma of Slavery—and when all politicians will learn it is better to do right than to court a false popularity.
>
> The population, growth, wealth, art, agriculture and public improvements of the North West, are the best commentary ever written on the practical difference between Servitude and Freedom. We want no novels to illustrate the truth, when such a great and living fact is before the world.

The Neufchatel Question.

The subject of the relations between Prussia and Switzerland, concerning the canton of Neufchatel, continues to excite a great deal of interest, inasmuch as the quarrel had reached a point where actual hostilities seem to be looked for between the two powers, and the Swiss mountaineers are cleaning their famous rifles, to be ready for the fray.

Neufchatel did not enter into the Swiss Confederacy till 1814, and for the last 150 years, Prussia has exercised more or less of the rights of sovereignty over it. After 1814, the canton sent a Representative to the Swiss "Diet," but the King of Prussia still nominated the Governor and Council of State, and exercised much influence by the bestowal of orders of nobility among the rich citizens of Neufchatel. In 1848, the year of Revolution, the people thought it time to put an end to this state of things, and rose and expelled the Prussian officers, tore down the Prussian flag, and declared themselves Swiss and nothing but Swiss.

Of course Prussia protested, and received the officials who were driven out, and aided their intrigues to regain power. Something more than a year ago, they succeeded in inciting a few persons in a portion of the canton to an insurrection against the authorities. The affair was a short one, the insurrection quelled, and the leaders thrown into prison. Prussia demands their release. Switzerland insists that the law shall take its course with them. Prussia threatens hostilities, and some of the Continental Powers seem disposed to sustain the King. The great majority of the people of the Canton, and the Swiss Government, stand firm in sustaining popular rights.

So the matter stands.

The National Kansas Aid Society.

The Waukesha *Plaindealer*, which, like the rest of the Buchanan papers, has taken a deep interest in the success of the Border Ruffians in Kansas, is anxious to know why we have not given our readers the intelligence of the assault made upon the National Aid Society, by Col. Harvey, late of Chicago, and wants to know if we "fear that it will have the effect to open the eyes of the honest people of Wisconsin who have been beguiled into the "Aid" movement, and who are still contributing their *money* and effects for the relief of "Bleeding Kansas!"

We reply to our anxious cotemporary—who feels so badly about the waste of *money* contributed for the Kansas settlers—that we have already informed our readers that such an attack was made by Col. Harvey, and at the same time expressed our confidence that an ample defence of the committee was at hand. We were not mistaken. The defence *has* appeared, and, while it shows the great difficulties under which the duties of the Committee were performed, giving rise, necessarily, (among those who expected too much, or were disposed to find fault) to charges of neglect or partiality, yet it also shows that a vast amount of good has been done—that many of the wounds of "bleeding Kansas" have been staunched—and that the brave Free State settlers will be sustained through the winter.

And further, it will doubtless be gratifying to the *Plaindealer* to be reminded that the salutary fear of Republicanism, which has swept away the pro-slavery democracy throughout nearly all the Free States, is producing a remarkable effect in Kansas, where the Government officials are now, as it would seem, under instructions so to conduct themselves as to remove some of the odium attached to the Administration for its past acts.

The Waupacca County Assemblyman Again.

We received day before yesterday the letter which we publish below, in relation to the election of Assemblyman in Waupacca County, and, presuming that the long and vexatious county seat matter was ended by an amicable arrangement, stated yesterday that Mr. PHILLIPS had received the certificate:

BERLIN, Marquette Co., Wis.,
December 4th, 1856.

EDITORS SENTINEL.—*Dear Sirs*,—I observe in the list of Members of the Assembly published in your paper, Mr. E. P. PERRY's name appears as the member elect from the county of Waupacca. *Mr. B. F. Phillips* received a majority of the votes cast, and also a certificate of election, and no doubt is the member elect, and entitled to his seat. In Waupacca County, as usual, this year there were two canvassers—one at Weyauwega and Waupacca. Mr. Perry received the certificate from the Board of Canvassers that met at Waupacca, and Mr. Phillips received the certificate from the Board of Canvassers that *met* at Weyauwega. The Board was subsequently consolidated and all the votes canvassed and the result showed a majority in favor of Mr. Phillips, who is a firm, substantial Republican, and worthy to be set right before the public.

I communicate this, because I know the facts, and as much for your information as to set Mr. Phillips right before the public.

I am, very respectfully, yours, B.

The New London *Times* which reached us yesterday, sets us all back again. It publishes the following table of votes cast except in two towns:

	E. P. Perry,	B. F. Phillips.
Waupacca canvass,	186	76
Lind,	29	95
Little River,	35	59
Weyauwega,		250
Bear Creek,	10	8
Mukwa,	94	81
Caledonia,		
Royalton,	13	40
Little Wolf,		26
Lebanon,		
	665	615

The *Times* says that, supposing Mr. Phillips to have received two thirds of the votes in the other two towns, Mr. Perry still had a majority, and that a fraud has been practised in changing the name of E. P. Perry to E. *B.* Perry in the return from one of the towns, so as to have them thrown out. Further, a correspondent of the *Times* says that Mr. Chamberlain, the County Clerk, at first gave a certificate to Mr. Perry, but afterwards gave another to Mr. Phillips. So the matter stands, and there will doubtless be a contest before the Legislature.

We should not devote so much space to this subject, except that we think that the county seat quarrel of Waupacca county has made trouble enough in the elections of the last two years, and has cost the people of that county money enough to demand a settlement of the difficulty if one can be brought about. Perhaps the action of the Legislature may do this. As to the county seat, we do not care whether it be fixed at Mukwa, Waupacca, Weyauwega, or Kamschatka; but do let us have it settled somehow.

The Next Legislature.

Our Republican contemporaries are addressing various useful hints and words of caution to the Legislature which meets in January next.—There seems to be a conviction, on *all sides*, that with prudent and honest management on the part of our Republican leaders, Wisconsin can be kept "right side up." The Ripon *Home* has a brief article about the Legislature, urging a short session and deprecating excessive legislation, in these words:

> The State, for the first time in its history is, in all its branches, in the hands of the Republicans—whatever is well done they can forever point to with satisfaction and pride, and it will remain a lasting monument in their favor—whatever is poorly done will be pointed at, and used against them for years to come. Upon the decision of the next Legislature will depend in a great degree the future position of the Senate. Wisdom should guide its deliberations, and judgment control its decisions.

An unusual responsibility attaches to the Republican members of the next Legislature, which they, no doubt, fully realize. Let them give us a brief *business* Session; retrench all superfluous expenditures; avoid all questionable, or unnecessary legislation; select a good and true man to succeed Gov. DODGE in the U. S. Senate; and, in a word, prove their faith by their works; and they will have well done *their* part towards confirming and perpetuating the ascendancy of the Republican principles and party in this State.

Senator Seward.

The Washington *Intelligencer* copies the explanation of Mr. SEWARD's connection with the liquor trade, and says: "Although the charge, whatever it is, may be unable to affect the honorable Senator at home, we think that simple justice requires that we also should copy the explanation for circulation where he is personally less known, if not misunderstood, for we may say that here, among all our eminent and estimable public men, there is no gentleman whose private character is more respected or regarded as more pure than that of Mr. Seward."

The Washington *Union* also copies the explanation, and remarks; "As an act of simple justice to this gentleman, we cheerfully give place to the following satisfactory explanation in relation to a charge which, upon investigation, exhibits Mr. Seward in a more amiable light than he is usually seen from a Democratic stand-point of view."

COL. BENTON PRESERVING THE UNION.—The Galena *Advertiser* very properly suggests that Col. Benton should go to the far South, where disunion is rampant—to Charleston—or to Richmond—and lecture on preserving the Union.—The people who voted for Fremont need no such lectures.

LIGHTING CARS BY GAS.—The experiment of lighting railroad cars by gas has been successfully made on the Galena & Chicago R. R. Each car carries beneath the floor a gas-holder, with a sufficient supply, obtained from the mains in cities which are lighted with gas.

Before and After.

We are sorry to see the influence the election has had upon Mr. Wells, the member of Congress from the Milwaukee District.

He voted against the repeal of the Missouri Compromise, and he also at the last session voted to oust Whitfield.

This was all right—all truly Democratic.

But he has now changed his course and gone so far over to Border Ruffianism as to repudiate his own acts, and vote to admit Whitfield.

If this does not show how Buchanan is, it at least shows how Mr. Wells thinks he is.—*Chicago Democrat, of yesterday.*

That is just so. Mr. Wells, our *mis*-Representative in Congress, has voted against his own oft and openly expressed convictions, and against the well settled opinions of his constituents and of our whole State. The only explanation of this vote is that suggested by the Chicago *Democrat*. Mr. Wells desires to stand well with the incoming Administration, and therefore betrays his constituents, repudiates his own acts and votes with the "Border Ruffians." We hope and trust that he will fail to receive the "thirty pieces of silver," which usually rewards such political treachery.

McGregor and Prairie du Chien Ferry-Boat.

On the 14th of November, the people of Prairie du Chien and McGregor had a great jollification in "inaugurating" the new and powerful steam ferry-boat *Alex McGregor*, built to ply between those two towns in connection with the Mil. & Miss. R. R. The *North Iowa Times*, published at McGregor, containing the account, has but just reached us, having been delayed somewhere on the route.

The *Times* is just the paper for our wholesale dealers who wish to secure trade from Iowa, to advertise in. We copy what it says of itself:

The circulation of the *Times* is approaching 1200, and we have little doubt that in another three weeks it will increase 25 to 50 per cent.—It travels into all the counties of this latitude as far west as Clear Lake City—all the southern counties of Minnesota, and hence we can impartially commend it as the best advertising medium north of Dubuque and west of Milwaukee.

Among our other exchanges which we commend to the attention of our advertisers are the *Clayton Herald*, Iowa, and the *Winona Argus* and *Daily Minnesotian* (St. Paul) Minnesota.

In North Western and Western Wisconsin, we name the *Superior Chronicle*, *Hudson North Star*, *Prescott Transcript*, Fountain City *Beacon* (Buffalo Co.,) La Crosse *Republican*, La Crosse *Democrat*, Sparta *Watchman*, (Monroe Co.,) Viroqua *Times*, (Bad Ax Co.,) Prairie du Chien *Courier*.

Business cards in these papers would meet the eyes of many who are making calculations for their spring purchases.

GALE AT BUFFALO.—The storm of Sunday last was very severe at Buffalo, and our exchanges from that city give long accounts of damage done. Many houses were unroofed and walls thrown down. The roofs of the City Elevator and Johnson's Elevator were torn off. The water rose in the creek to such a height that the steamers and propellers were raised up till their guards rested on the docks, and some of them were dashed against each other, causing damage. A schooner was sunk, loaded with coal.

AN EXCELLENT PAPER.—The *Nieuwsbode*, published at Sheboygan by Jacob Quintus, is the only paper printed in the Holland tongue, in our State, and circulates widely among the Hollanders dwelling in Wisconsin. It is a zealous, well-conducted and reliable Republican journal, and an excellent advertising medium. The *Nieuwsbode* commences a new volume with the New Year. We hope, by the way, to meet our friend Quintus at the Printer's Festival, to come off in this city, on the 16th proximo.

A TOUGH SPECIMEN FOR FOREIGNERS.—The following illustration of one of the hard cases in the English language, is from a new book, entitled "Milledulcia":

'Tis not an easy task to show
How *o, u, g, h,* sounds, *since though*
An Irish *lough*, and English *slough*,
And *cough*, and *hiccough*, all allow,
Differ as much as *tough* and *through*,
There seems no reason why they do.

APPOINTMENT.—The Governor of New York has appointed WM. R. PERRY, of Superior, Commissioner of Deeds, &c. for New York, in Wisconsin.

GRAIN WAREHOUSE AT JANESVILLE.—The Janesville *Standard* says that Messrs. Hobson & Co. have just completed a grain warehouse near the Mil. & Miss. R. R. Depot, at a cost of $5000, and are putting in a steam elevator.

OUR RAILROADS.—The system of railroads that are now being prosecuted will speedily make this city the railroad center of the *state*. The advantages to be derived will be *manifold*. It will render this city more accessable at all seasons, than any other city in the State, not excepting even Milwaukee. This will do away with the hue and cry that is eternally sounded about moving the capitol, most effectually, for the Capitol will remain where it is easiest of access from all parts of the State. This city will become the thoroughfare for all the freight and travel of the North Western portions of the State, Minnesota and Northern Iowa, which is eastward bound. From this point all this will radiate from the east, westward bound. We shall soon be in direct communication with Janesville, by cutting off the elbow which now sends us by way of Milton, and then let any intelligent man ask himself by which route the North Western travel will reach Chicago. A very large proportion of the travel from the west to Milwaukee must also pass through our city, via the M. & M. and the W. & M. railroads. The La Crosse road from this city will be prosecuted with the utmost vigor, notwithstanding the efforts of some persons to prevent it. We feel really proud of the prospects of the Capital of Wisconsin, and believe that it will remain as it is now, the next city to Milwaukee, in population, wealth and enterprize, while we have a pride in the prosperity of Milwaukee, and feel that she must always remain the commercial emporium of the State.—*Madison Argus.*

Busy Times at the Capital.

The Capital is seldom more thronged during a Legislative session than at the present time.—The Supreme Court has brought together a number of lawyers from all parts of the State. The Lunatic Asylum Commission, with the attendant counsel, witnesses, and loafers, is quite prominent, while the sale of forfeited lands had attracted a large crowd of speculators from all quarters. There is also a general rush to the Secretary of State's office for the entry of Swamp Lands.

The sale of forfeited lands is held in the Assembly chamber. The large room was quite crowded this forenoon, and the bidding prompt and spirited. In some instances the lands were run up to nearly double the amount due from the original purchaser to the State. The amount bid above what is due from the original purchaser and ten per cent. on the latter, is required down, with interest on the principal to the first of January. The state refunds, to the original purchaser, the sum received over and above the price paid by him, deducting only the five per cent, forfeited for non-payment of interest, which pays the cost of advertising and selling. In this way the former purchasers will receive a large amount without any cost to themselves. Under the Barstow administration lands were sold in large quantities, without the payment of any portion of the principal, and at prices far below their true value. Such purchasers can now forfeit the lands, and taking advantage of their increased value and the spirit of speculation which has created an active competition at the recent sales, make a handsome sum with little trouble, and without any expenditure of capital whatever.—Thus the school fund still suffers from the consequences of those years of "democratic" misrule and malfeasance, and to pay the penalty which the people brought upon it by electing dishonest and reckless adventurers as the guardians of this munificent trust.

The pre-emptors of swamp lands are hurrying to secure their claims. We understand from Gen. Roggles, of the Secretary's office, that over $20,000 were received last week on swamp lands.—*State Jour.*

SUSPENSION OF A LARGE CAPITALIST IN PHILADELPHIA.—The report is confirmed by the Philadelphia press and from other sources, that Pierce Butler, Esq., most known to the world as the husband of Fanny Kemble Butler, has been unfortunate in some stock transactions, and compelled in consequence to suspend payment. He has been a large dealer in stocks for some time past, but, from his reputed wealth, was presumed to be strong enough for the element he was swimming in.

TONNAGE OF CHICAGO DISTRICT.—Philip Conley, Esq., Collector of this port, furnishes the following table of tonnage enrolled in the Chicago District at the close of the third quarter of present year:

Total tonnage of Steamers,		2,397-20
do	do Propellers,	2,826-15
do	do Barques,	2,195-23
do	do Brigs,	3,329-08
do	do Schooners,	11,802-90
do	do Scows,	252-90
Grand total of tonnage,		61,052-22
Tonnage of those who have surrendered papers, and those who have changed owners to be deducted,		5,009-00
Balance of tonnage Sept. 30, 1856,		56,043-22
do	do 1855,	48,376-09
Increase Sept. 30, 1856, over 1855,		7,667-13

It is thought the returns at the close of the present quarter, will show an increase in tonnage for the year of 8,000 tons.—*Chicago Dem. Press.*

CHICAGO LIGHT GUARD.—ELECTION OF OFFICERS.—The election of officers of the Chicago Light Guard took place pursuant to orders, at their Armory last night. The unanimous vote of the Company was cast, for First Lieutenant H. D. Booth, to be Captain, in place of P. B. Wyman, honorably discharged.

The election for the other officers resulted as follows. For 1st Lieutenant, George W. Gage; for 2d Lieutenant, F. T. Sherman; for 3d Lieutenant, Philip Wadsworth; for 4th Lieutenant, P. H. Dix.

The votes in every case were nearly unanimous, and the utmost harmony and good feeling prevailed throughout.—*Chicago Dem Press 16th inst.*

FROM KANSAS,

Lawrence, Kansas, Dec.

To the Editor of the Missouri Democrat:

Nothing new that is of public interest has occurred in this vicinity since my last. The sale of the Delaware lands still continues at the Fort. About the last of the week portions of the city of Leavenworth is expected to be sold.

The bogus Territorial legislature, recently elected, meets at Lecompton early next month—Gov. Geary is expected to do all he can to have the most obnoxious enactments repealed.

The free State Legislature, elected by the people, meets about the same time in Topeka. Interference by the Federal troops, or his Excellency, Gov. Geary is not expected, by many of our people. Gov. Robinson and Lt. Gov. Roberts are both now in Kansas, and early in January they will be at Topeka ready to act in their official capacity.

The news of Gen. Whitfield's rejection by the lower house of Congress has just been received. It is reported that Gov. Geary will call a special election for delegates to Congress under an election law of his own, so all can vote. That will test the strength of the two parties in Kansas.

Yours, ESSEX.

Topeka, Kansas, Dec. 8.

To the Editor of the Missouri Democrat:

In a little less than four weeks the free State Legislature meets in this city. Whether Col. Sumner will be here with his dragoons to disperse it is not known. It seems that the President was not willing to take the responsibility of Sumner's act in dispersing the Legislature in July last at the point of the bayonet, and the "old bull of the woods" will not again be caught aping old Cromwell, without he has a President to back him. What course Geary will take is not yet known, but it is generally believed he will not interfere, and the Legislature for the free State of Kansas will go on swimingly.

Yours, SYNTAX.

WASHINGTON ITEMS.

Special Despatch to the N. Y. Tribune

Washington, Dec. 14.

The fire-eaters were dismayed to-day by the news published in the *Union* this morning of the total routing of Gen. Walker in Nicaragua.—The speech on Central American affairs, promised by Mr. Walker of Alabama for Tuesday next, will be a very different thing from what it would have been if delivered last Thursday, for I understand he considered Gen. Walker's Government firmly established, and his speech was based upon that fact.

It is settled that there will be no election of United States Senators from Indiana at the coming session, despite Mr. Bright's declaration.—The Democratic Senate of 1854 refused to go into joint Convention with the Democratic House. The Senate will therefore, elect two Republican Senators by resolution, and the House can concur if it pleases. The result will probably be that no Senators will be elected from Indiana for two years subsequent to the 4th of March.

I learn that it is probable that Z. Chandler, the well-known Republican merchant of Detroit, will succeed Gen. Cass in the United States Senate. He made a canvass of the State as Whig candidate for Governor in 1852.

Timothy O. Howe, it is supposed, will be the new Republican Senator from Wisconsin in place of Mr. Dodge.

THE MARKETS, &c.

OFFICE OF THE DAILY SENTINEL, }
MILWAUKEE, December 17, 1856. }

By La Crosse & Mil. R. R.—331 bbls flour, 3,899 bus wheat, 189 do barley, 8 csks pearl ash, 63 hides, 92 bdls pelts, 2½ tons pig iron, 16 bags fish, 12,919 lbs sundries.

Do. Watertown Division—20 bbls flour, [illegible] bbls flour, 90 bush wheat, 6,335 lbs sundries.

Receipts of grain very light, and transactions, of course, the same. We quote spring wheat at 87½a90, winter 95a1,00.

BARLEY—$1,10a1,25 for prime.

CORN—lower—sales in small lots at 50a51 for shelled.

POTATOES—wanted at 65a75c.

OATS—38a51.

HOGS—dressed quick at $5,50a6,00.

Chicago Market.

CHICAGO, Dec. 12

Business in the produce market is dull on account of failure of trains, light receipts, and scarcity of money.—Flour is accumulating rapidly, some firms having as high as 3,000 bbls on hands and shipments of it have about ceased, there being large accumulations already at Buffalo, and along the railroads leading east. Small sales are daily made to city bakers at our quotations; yesterday 50 bbls of Bartlett mills spring wheat extra went at $5,25. Wheat is much scarcer than flour, and buyers are anxious to buy large quantities for spring shipment, but cannot get it. 89c is paid for spring to store, and city millers are paying 95 for milling spring, $1 for red, and $1,10 for white winter. Barley is rising in value, the last cargo before the close of navigation sold at $1,30 per bushel, but it is worth more now, and is getting scarcer both here and at St. Louis. Malt is being received by railroad from Buffalo and brings $1 75 ⅌ bushel to city and other brewers. But few Dressed Hogs are in market, and live ones go at $5,25a5,75 nett. Lard is being all shipped east as fast as it arrives, and prices are high and firm here.—*Tribune.*

St. Louis Market.

ST. LOUIS, Dec. 15.

HOGS—Packers have kept the market bare, at prices ranging from $5,60 to $5,75. Demand brisk. Butchers pay 5½ and 6c for good hogs. There is some demand for shipping hogs at 5½c. The market has been filled with dressed hogs, and sells from wagons at 4 and 5¼ net.

PROVISIONS—Holders of Mess Pork asking $16 ⅌ bbl in mediate and 17 (00 bbls sold, deliverable by May 1st, in lots of not less than 200 bbls at $15 ⅌ bbl. Prime lard 10¾c, with sale of 370 bbls, in lots, 50 tcs inferior 9c.—Nothing in bacon or green meats.—*Intelligencer.*

☞ The propeller *Iowa*, Capt. Alexander, of the American Transportation Co's Line, was just entering Buffalo harbor yesterday, as passengers for this city were leaving on the cars. The propeller Dunkirk, Capt. Hickey, arrived at Buffalo on the 12th, with a cargo of provisions.—*Chic. Trib. 17th.*

Certificate of R. Woodward, Esq.
THE WELL KNOWN TRAVELLER FOR THE DUNCANNON IRON WORKS, PERRY CO., PA.

DUNCANNON, Jan. 11, 1855.

DR. C. M. JACKSON—
Dear Sir:—"I was for five years severely afflicted with *Chronic Bilious Dysentery*, for which I was attended by several of the best Physicians in the country, but all of no avail. I also used various remedies, but could find nothing to benefit me until I was induced to try *Hoofland's German Bitters*, after taking four bottles of which, I was entirely cured, and am now enjoying the best of health."

DR. H. B. SPARKSBOROUGH says:

DOVER, (Tenn.) Aug. 23, 1853.

"I have sold all the German Bitters you have sent me, and if the preparation continues to do as much good as it has done, it will be the best medicine ever sold here."

Dalley's Magical Pain Extractor.

THE great and principal characteristics of DALLEY'S MAGICAL PAIN EXTRACTOR consist:

1st. Of its extraordinary and unique property, as soon as applied to any external injury, to REDUCE INFLAMMATION instantly, and rapidly to reduce it. This feature constitutes its great power to alleviate the pain of burns and scalds, and of other painful diseases, in an incredibly short a space of time, and as will appear from the few testimonials herewith annexed. Every intelligent mind is fully aware that, in all cases of external injury, the pain is produced by inflammation of the injured parts; and, therefore, if it removes the inflammation, the pain is cured.

2d. Its purificative properties neutralize the poison that may lurk in the system, and will, when applied to the sores, draw rapidly all impure matter to the surface, and eject it—hence the great discharge it produces from sores occasioned by burns and any other malady, of indolent sores, Salt Rheum, or other cutaneous disease.

Each box of Genuine DALLEY'S PAIN EXTRACTOR has upon it a Steel Plate Engraved Label with the signature of C. V. CLICKENER & CO. proprietors, and HENRY DALLEY, manufacturer. All others are counterfeit. Price 25 cents per box.

☞ All should be addressed to C. V. Clickener & Co. 81 Barclay street, New York.

POLICE COURT, DECEMBER 17.

BEFORE CLINTON WALWORTH, POLICE JUSTICE

STEALING A POCKETBOOK AND MONEY.—Charles Fenler was brought in on a charge of stealing a pocketbook containing $29 25 from Fredrick Johnson, in the Rochester House. The defendant waived an examination, and was committed for trial, and in default of $?00 bail was sent back to jail.

Charles Travers, drunk, fined $1.

Thomas Orchard, drunk, fined $1.

Henry Parsons, for fast driving on a bridge, fined $1.

It is ten weeks since the last Grand Jury were dismissed, and during that time there have been 23 cases of commitment for trial in the Police Court. They are as follows: Larceny in a dwelling house 10, do in a store 1, do on vessel 4, do [illegible] 1, assault with intent to kill, 2, resisting officer [illegible], robbery [illegible] 1, burglary 2, bastardy 2.

In addition to these there are upwards of [illegible] depending in the Circuit Court [illegible] favored on a leaping [illegible] Circuit Court to another with the greatest facility. Some of the pending trials are a [illegible] commentary on the administration of justice in this county. One youth, having wealthy connections, may commit [illegible] of grand larceny, be indicted, give bail [illegible] brought to trial, while another one, the [illegible] child of a [illegible] man [illegible] wretched poverty, for taking [illegible] cents goes to Waupun for a year, to [illegible] the honor of the short system. CHINESE SUGAR CANE.—Mr. T. Bishop, seedsman and Florist, of this city has left with us for inspection several stalks of the Chinese Sugar Cane, which is now exciting so much attention. The plants were raised in his garden on the School Section, from seed imported by him, and he has some of the seed for sale now, and will be abundantly supplied in time for the spring work of the farmer.

The plants referred to are [illegible] feet high, and grew rapidly, and the seed matured as early as the last of September. From the various experiments made with this plant, it seems to be fair to make the western states independent of the far South in the production of sugar.

Mr. B. [illegible] had these plants on exhibition at the State Fair, but they were overlooked by the Committee.

HEALTHY BREAD!

MADE WITH

JAS. PYLE'S DIETETIC SALERATUS.

THIS article is deprived of the caustic impurities, so well known to exist in all common Saleratus there by dealing destruction to thousands not aware of its injurious qualities. So destructive is it to the constitution of children, that where they and the parents have been regular consumers of Saleratus Bread, there is but little chance for recovery from infantile or contagious diseases. In this way thousands meet with premature Death, the sad result, of which is fearfully demonstrated in the mortality among children in the New England and other States where warm bread and cake is so generally consumed.

JAS. PYLE'S DIETETIC SALERATUS

Is of vast importance to the public, and is rapidly coming into use. Being deprived of all caustic impurities, it is quite as harmless as flour. In point of economy it excels having powerful raising properties and is altogether superior to Baking Soda. No intelligent lady will dispute this after trying it.

It is packed in pound packages, each bearing the name of James Pyle, without which it is not genuine. For sale by John Furlong & Co., C. A. Folsom, Chapin & Gregory, Milwaukee, Ethridge, Shoemaker & Co., Madison, E. H. Jones & Bro., Fond du Lac, Wis., A. Gross & Co., Chicago.

LET every person remember that the Great Grand Sale of Lots of Kilbourn City comes off on Thursday, December 18, at 10 o'clock A. M. Now all who have any one single word to any one who has any money do not neglect this sale. There is a great grand chance for all to get rich—as much so as those who purchased property in Milwaukee ten years ago. If any one will give me what my property is worth in Milwaukee I will oblige myself to go and live in Kilbourn City, for I never have seen a more beautiful place. The terms of the sale of the lots in Kilbourn City are very easy ¼ cash, balance in 1, 2 and 3 years, 7 per cent interest.

Then I will be able to accommodate my friends, and also strangers, with all those conveniences that the City Land and Exchange Office can afford. I would also remind you of the sale of lots in Kilbourn City and Sheboygan City, and the sale of that magnificent farm formerly owned by —— Douglas, one mile from city limits. All this grand sale comes off on Thursday December 18 at 11 o'clock in the morning at the City Auction Room dec18 CALEB WALL

THE great sale of Lots in Kilbourn City and Sheboygan City, the sale of that beautiful farm one mile from city limits all comes off on Thursday, Dec. 18th [illegible] 10 o'clock in the morning at the City Auction [illegible] great chance offers to any one who has money. Now is the time to take advantage, for money is very scarce indeed and those who have money have a great chance. Maps of Kilbourn City and land are now ready and [illegible] [dec11] CALEB WALL

ON THURSDAY, December the 18th in the morning at 10 o'clock, I will sell the following Real Estate, on terms that will give a chance to all persons to purchase property upon which they must and will make [illegible] hundred per cent between this and spring.

The sale will commence with one hundred lots in Kilbourn City—that great city which has been laid out and which is and must be the seat of Government of our state. I have maps of said city which I will give to all who wish them. The terms of the sale of the lots in Kilbourn City are ¼ cash, the balance in 1, 2 and 3 years, with seven per cent interest.

The second part of the sale is sixty lots in the City of Sheboygan, which is on Lake Michigan and a distance of sixty miles from our city. I am told by several who have visited Sheboygan that she will be the next to Milwaukee and I have no doubt, from the situation she holds but what she might be the second to Milwaukee. This property I am going to sell is central, and it will be sold on very easy terms indeed.

The third part of the sale is some thirty or forty lots in the new and beautiful city of Beaver Dam where a large and a very heavy and extensive business is now doing owing to the Grand Depot which the La Crosse Railroad has located there. The lots which I am going to sell are near the depot and are very desirable and very valuable. The terms upon which these lots are sold are very easy.

The fourth part of the sale is that Great land and farm, which formerly belonged to our old friend Douglass which has been cut up into ten acre lots, at about 1¼ miles should think from city limits. It is about ¾ mile from Dr. Chase's, and about same distance from the Rev. Mr. Lefevre's. This is a very desirable and beautiful location for residences, about thirty minutes ride from my office, and you have, from any one of the ten acres a full view of our beautiful city, and for business men it is a very desirable residence. There is a portion of timber sufficient with each ten acre lot to keep up the fences and for fire wood for the next fifty years. This property will be sold one fifth cash balance in one two and three years with 6 per cent interest.

The fifth part of the sale is some twenty valuable lots in 1st 3d, 5th and 7th Wards in our city. I here can say no more than what I have said, that it makes very little difference where you purchase property in Milwaukee, you are very sure and very certain to treble your money in a very short time. Well, this is all I have to say at present.

Will all the city papers who advertise for me please copy the foregoing advertisement and send their accounts to my office for collection?

HOUSE.—After Mr. Cumback concluded his speech in defence of the Republican party from the attacks of the President,

Mr. Walker reviewed the affairs of Central America, expressing an opinion that Government did wrong in suspending diplomatic relations with Nicaragua, and eulogizing Gen. Walker as possessing all the elements for a hero and a statesman.

Mr. English, while defending the nationality of the democracy of Ind., asked whether any southern man would oppose the admission of Kansas as a free State, provided that was the clearly expressed will of a majority of the people. A voice from the Southern side responded "not one," and this, by silence, was acquiesced in.

Mr. Brooks avowed his willingness to abide by such a decision of the people, if fairly expressed, but he repudiated Squatter Sovereignty as damaging to southern rights in the territory.—Adjourned.

Revival of the Slave Trade.

Washington, Dec 15

HOUSE.—Mr. Etheridge submitted the following resolution, which was read for information:

Resolved, That this House regard all suggestions or propositions of every kind, by whomsoever made, for the revival of the slave trade, as shocking to the moral sentiment of the enlightened portion of mankind, any act on the part of Congress or Legislature conniving at or legalizing that inhuman traffic, would justly subject the United States to the reproach and execration of all civilized and Christian people throughout the world.

Objection was made to the introduction of the resolution.

Mr. Etheridge moved the suspension of the rules.

Mr. Campbell, of Ohio, demanded the ayes and noes.

Mr. Wall asked whether if the House should suspend the rules, it was the purpose of Mr. Etheridge to move the previous question on the adoption of the resolution, in order to cut off debate.

Mr. Etheridge replied that the resolution contained a self evident proposition. He presumed that every gentleman had an opinion on the subject. He would not discuss it, but would move the previous question.

Mr. Jones, of Tenn., wanted to leave out the argument in the resolution, saying he was as much opposed to the reopening of the slave trade as [illegible] (He was here called to order by the Speaker, who said that debate was inadmissable at the time.) Mr. Jones said he would not be gagged by either the speaker or any one else.

Mr. Orr ineffectually strove to substitute simply, Resolved, That it is inexpedient to repeal the laws prohibiting the African slave trade.

Mr. Etheridge's motion to suspend the rules to enable him to introduce his resolution was carried—ayes 110, noes 58.

INSTRUCTION.

ENGLISH AND MERCANTILE ACADEMY,

No. 40 Wisconsin Street, Milwaukee, Wisconsin

THE PRINCIPAL RESPECTFULLY informs the Public that the Winter Term of this School commences, Monday, December 8th, 1856.

This Institution, has been in successful operation for seven years. The Academic year comprises 4 terms of 11 weeks each, the first commencing on the 2d Monday of September.

The whole number of students in attendance at present is 62.

PRIMARY DEPARTMENT.

A competent Female has charge of this department, and children are received at any age.

THE LADIES' DEPARTMENT
IN A SEPARATE ROOM,

is under the superintendence of Miss W. A. HALL. Young Ladies recite in Prof. L's classes in English Grammar, Rhetoric, Composition, &c., and are taught a neat and fashionable style of Writing. Instruction is given in Embroidery, Drawing, Music, Latin and German, and scholars are taught to read, write and converse in French daily.

C. F. L. takes pleasure in announcing to his friends and patrons the prosperity of this department during the past year. He pledges himself that it will be his constant aim to secure the greatest amount of intellectual and moral improvement, to those entrusted to his care.

COMMERCIAL DEPARTMENT.

This department is under the immediate charge of Prof. Larigo. Instruction is given in all the branches of a thorough English and Commercial Education, including the Higher Mathematics, French, Latin and German Languages, and is designed to prepare youth for college or for business life. Perfect facilities are afforded to young gentlemen for acquiring, in the most expeditious manner, a thorough knowledge of Commercial Science as practically employed in the Counting Rooms and Business pursuits generally.

The full course embraces the most approved and practical forms for keeping Books by Double Entry, in the various departments of Trade and Commerce, including general Wholesale and Retail, Mercantile Exchange, Commission shipping, Individual Partnership and Compound Company Business with Commercial Correspondence in English, French and German. The Student is taught to copy all manuscripts in a bold and rapid hand, which serves as a great auxiliary to him in securing an excellent style of writing—a hand writing in every respect adapted to business pursuits is also warranted to every student who takes a full course with a Diploma.

Through the extensive business acquaintance of the Principal, many of his students obtain profitable situations.

Lady's and Gentlemen's French Class at 4½ P. M.—Latin Class at 7½ A. M., German Class at 8 P. M. Evening Classes in Book Keeping, Writing, &c., from 7 to 10.

☞ Students admitted any time, day or evening.—For further information see Circulars.

LESSONS IN Foreign Languages.

MR. AND MRS. L. S. B. DECRETY, from Paris, for four years past instructors in foreign languages in Milwaukee, have the honor to inform the public that they will form classes in the French, Italian and Spanish Languages on the 1st of September next. The course of instruction will be according to the age and intelligence of the pupils, and the classes kept entirely separate, their hours being arranged with that view.

Gentlemen and ladies who might speak either of these languages, can receive lessons in Reading and Conversation, Mr. De Cretty furnishing books of the best French authors. Those who wishing to learn vocal music in either of those languages, will find a competent music teacher in the establishment.

The hours of instruction will be from 9 to 11 o'clock A. M., and from 2 to 5 P. M. And in the evening from half past 6 to 9, for conversation.

Mr. De Cretty will also give lessons in French, Spanish and Italian, at his office to gentlemen only, from 7 to 10 o'clock in the evening, as also lessons in fencing, the use of the Sword, and all military exercises. Persons of delicate constitution and feeble temperament, as also those confined to the room in a sitting engaged in sedentary pursuits, will derive from these exercises, improvement in their health, acquire strength in their limbs and find an agreeable recreation.

Mr. De Cretty will also form similar classes for children, from 10 to 15 years old, at his house, or office, as parents may prefer. Fathers and mothers who desire to see their children strong, active and robust, can judge for themselves, after a few weeks trial, as to the effect of these different exercises upon their health.

The continued patronage of the public is respectfully solicited.

To Merchants.—Mr. De Cretty will take charge of French correspondence to all the principal cities of France and will procure all Price Currents that they may want.

BAYLIES & LINCOLN'S Milwaukee Commercial College

212 and 214 East Water St., MILWAUKEE, - - WISCONSIN.

THE proprietors of the Milwaukee Commercial College would respectfully announce that the liberal patronage that has been extended to this deservedly popular enterprise has led them to extend the field of study, so that it will embrace every branch of a thorough Commercial Education. As there are no classes formed to any department of study—(thereby enabling the student to enter any time, each one receiving separate instructions)—the student, on entering, is placed in the Counting Room, with actual transactions to work from, thus making his education not merely theoretical, but practical to the last degree. The Commercial Course comprises Book Keeping by Double Entry, in its various forms, as adapted to Wholesale, Retail, Commission, Manufacturing, Custom House, Banking, Railroading, in stock partnership, and compound Company business, Commercial Calculations in per centage, Exchange, Bank and Regular Discounts, Averaging, Accounts by Simple and Compound Equations, &c., according to the most approved methods. Commercial Correspondence, including account sales, account currents, Drafts, bills of exchange, &c., &c.

Also, a perfect system of detecting Counterfeit Bank Notes, will be given to each student.

A good Hand Writing guaranteed to every person completing a full course.

During the Seasons, Lectures on Commercial Law will be delivered by eminent legal and business men, and no pains will be spared to make this Department particularly attractive.

The Reading Room will be supplied with the various Daily and other papers and publications.

Particular attention will be given to Ladies who may wish to acquire a business education, and separate rooms have been beautifully fitted up for their use.

Merchants and other business men are informed that at any time, by a few days' notice, they can be supplied with competent Accountants, and young men will be assisted in procuring situations when desired.

NEW YORK.

FROM
Vinscher, Owen & Co.,
GENERAL NEWSPAPER ADVERTISING HOUSE, NO. 348
BROADWAY, NEW YORK.

IMPORTANT TO EVERYBODY.

FOR the last three years, I have been engaged in a business known only to myself, and comparatively few others, whom I have instructed for the sum of $200 each, which has averaged me at the rate of $2,000 to $8,000 per annum, and having made arrangements to go to Europe in the Fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit the sum of $1. I am induced from the success I have been favored with, and the many thankful acknowledgements I have received from those whom I have instructed and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively No Humbug in the matter. References of the best class can be given as regards the character, and I can refer to persons whom I have instructed who will testify that they are making from $6 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed, are now making from $5 to $8 per day at it. It is a GENERAL BUSINESS, and but a few shillings is required to start it. Upon receipt of $1, I will immediately send to the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.

All letters must be addressed post paid, to A. T. PARSONS, 335 Broadway, New York.

BOERHAVE'S HOLLAND BITTERS

JE MAINTIENDRAI

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic affections, it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find in this a beverage will be disappointed, but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

In offering myself as a candidate for a share of public patronage, I would assure the citizens of Wisconsin that I am satisfied, from the unusual facilities I possess in purchasing goods, and a thorough knowledge of my business that it is for their interest to call and examine my stock and prices before purchasing elsewhere.

I have been unable to rent a store large enough for my business before next Spring. I have therefore temporarily located at

Until I can secure a suitable stand.

Merchants from the country, teachers, and all others buying wholesale bills, are earnestly requested to examine my stock and prices.   WILLIAM STRICKLAND.
